303 Potrero Street
Building 42, Suite 306
Santa Cruz, CA 95060
831-459-6762

We are located in the *Sash Mill* complex near downtown Santa Cruz, across River Street from the Gateway Plaza.

From Highways 17, 9, or 1, or from downtown Santa Cruz:

Turn onto Potrero Street at the stoplight intersection with River Street. Take your first right turn off Potrero, at the railroad tracks, into the Sash Mill where the sign says "303 Potrero Street." The railroad tracks and a fence will be on your right, the buildings on your left. Continue straight to the very end of the parking lot, don't turn anywhere.

At the end of the parking lot, Building 42 is the very last building on your left. You may take stairs or the elevator from the ground to Suite 306 on the third floor.

Very ill, frail or elderly patients should not plan to drive after treatment. Please arrange for a companion driver, or arrange alternative transportation, if appropriate.

If you take the bus: Santa Cruz Metro busses stop on River Street within 1 block of Potrero Street. For more information, please contact the Santa Cruz Metropolitan Transit District at 831-425-8600.

If you cycle: Bike locking facilities are located in front of Sash Mill Building 42.

Please do not hesitate to contact us at 831-459-6762 with any questions, and remember to provide at least 24 hours notice in advance of cancellations or re-scheduling. We look forward to seeing you soon!
